

YEAR 11 - HSC SUCCESS CHECKLIST

As Term 4 begins, take a moment to think back over your approach to your studies during the Preliminary Course. What changes do you need to make to be successful in your studies during the HSC Course? Try the quiz below to help you pinpoint the areas to work on.

	Yes	Some times	No
I really listen to what the teacher is talking about in my classes.			
I make sure I am on task in class and focus on completing the class work.			
I ask questions in class when I am not sure of something.			
I finish all the homework by the date it is due.			
I see my teacher about any work I find difficult to understand.			
I keep my notes and papers organized and sorted.			
I make study notes or summaries on a regular basis.			
I don't leave my assignments/assessments until the last minute.			
I plan out what needs to be done for my assessments over the available time.			
I make sure I start preparing for assessments well before the test day.			
I do extra work on any aspects of my courses that I find challenging.			
I review carefully any work I am given back to learn from my mistakes.			
I am doing a few hours schoolwork each night (homework, review for assessments, study notes) and using my time at home effectively.
