

# EXAMINATION REFLECTION

1. In which exams do you think you did well (or at least OK)?

---

2. Why do you think you did well in these examinations?

---

---

---

3. In which exams do you think you did badly?

---

4. For these exams, rank the reasons below as to which ones most apply to you:

- I didn't do enough study
- I had exam nerves on the day
- I had missed some of the work and didn't catch up
- I didn't study effectively
- My exam technique was not very good
- I spent too long on some questions and not enough on others
- I studied the wrong things
- I should have done more actual practise not just reading it
- I ran out of time in my study time
- Other ? Please list

---

---

5. What three things do you want to remember to do (or not do!) in the next set of major examinations.

- a.
- b.
- c.

6. Give yourself a percentage mark for the following : (eg 60%, 25%, 80%)

- The amount of effort I have put into class work so far this year
- The amount of effort I have put into homework so far this year
- The amount of effort I have put into assignments so far this year
- The amount of effort I have put into tests so far this year
- The amount of effort I have put into school in general so far this year
- The amount of effort I have put into studying for these exams

7. Are you aiming to improve these percentages? \_\_\_\_\_ What sort of percentage effort do you think you would need to achieve the marks you want?

---
