- *At the start of every term:*  
Review and highlight the tasks for that term.

# OUR LADY OF MERCY COLLEGE PARRAMATTA

## Stage 4 - Year 7 English Assessment Schedule 2023

Student learning will be assessed in two ways which will help to inform the allocation of student grades for each course.

Continuous, Informal assessment for learning activities	Informal assessment builds a composite profile of student performance and achievement across skills and outcomes and will be used in combination with formal assessment to inform a student's grades. Every lesson matters; important learning happens in class, and teachers make regular judgements about student progress and attainment of knowledge, understanding and skills, both within and between lessons. Assessments can be formative or summative in nature. Formative assessments are used by teachers to determine the direction their instruction takes in order to best meet the needs of the students before them. Assessment activities include, but are not limited to:		
	<ul style="list-style-type: none"><li>• Class quizzes</li><li>• Discussion and group work</li><li>• Teacher observations made during independent, group and whole-class learning activities</li><li>• Independent learning activities</li></ul>		
	Informal assessments cover a range of outcomes.		
Formal assessment of learning tasks	Date	Semester 1	Semester 2
		Term 1, week 8	Term 3, week 8
	Type of task	Narrative Timed Conditions	Short and extended responses Timed Conditions
